Forester/Forest Technologist Positions

Bushmen Enterprises Ltd. is accepting resumes for the following:

2 Forester/Forest Technologist positions (late April thru late October 2010, with the possibility of extension, or suitable to students schedule)

Reporting to the Senior Forester/Tech, the candidates will be responsible for the day-to-day operations of all aspects of our contracts. This includes ensuring the successful implementation of various contracts, fieldwork, daily camp maintenance, field equipment inventories, paperwork and various other duties.

Our current year has the following projects planned:

- Regeneration Surveys
- Herbicide Bagging & Aerial Herbicide Monitoring
- Plantation Monitoring Surveys
- Slash Burning
- Snowmaking

Wage: Commensurate with education and experience (above average compensation)

Expect to be working outdoors in all types of weather. We typically work 10 days on and 4 days off but are often very flexible with schedules. You must feel comfortable in the bush and not afraid of working a short distance from your partner. We supply all specialized equipment, accommodations and food when in the field.

You must have a clean drivers license and valid First Aid certificate. Alberta Regeneration Survey Certification, basic GPS knowledge and MS office skills would be an asset. If you do not have Alberta Regeneration Certification, you must be willing to take time for training.

Bushmen Enterprises Ltd. has been fortunate enough to be awarded numerous long-term contracts with major forest products companies in Alberta. These contracts are based on us providing intelligent, flexible, motivated and safety-minded individuals. Our current people fit this profile, do you? Check out our website www.bushmen.ca

We are based in Spruce Grove and Slave Lake, Alberta. You will be responsible to arrive and depart one of these locations at the beginning and end of your shift.

Please E-mail your resumes in pdf or word format to jobs@bushmen.ca. Thank you in advance for your resume. We will only be contacting potential candidates. Any questions can be emailed to the above email address.
